

# Here to help your progression in dentistry

Recognised as a primary advocate for education in the UK and the key supplier of occlusion essentials, Prestige Dental are delighted to support this course with some of our loan stock. First class, quality equipment will support your development and hone your skills, so to help you continue your occlusal journey why not chat to us about the type of equipment you may wish to invest in for the future?

If you prefer, browse our website at [www.prestige-dental.co.uk](http://www.prestige-dental.co.uk) to find a wealth of information on occlusion equipment together with a full range of consumables and useful details on many of our products under the Resources section.

Here are some examples of our range:
